The background of the entire page is filled with numerous hand-drawn, five-pointed stars. Each star is filled with a dense, diagonal hatching pattern, giving them a textured, sketchy appearance. They are scattered across the page in various orientations and sizes, creating a festive, starry night effect.

BIBLE STUDY

Belongs to _____

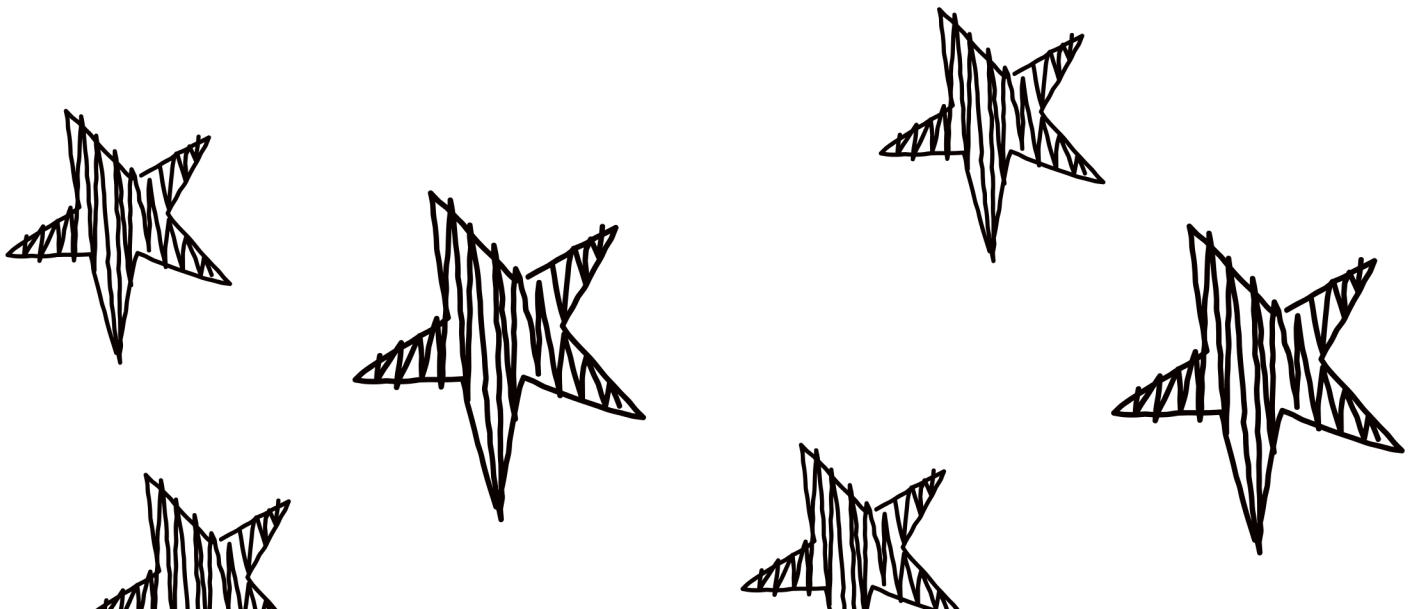

There really is no better gift to give yourself or your family than to learn to study the Bible. This Christmas Bible Study includes just one or two verses a day, along with a guided template to walk you through the (1) "What does it say?", (2) "What does it mean?", (3) "How does it apply?" Bible study method.

Simply print out this document, and begin your Christmas study on December 1. In 24 days, you'll have learned the method and will have walked through Old Testament prophecy and New Testament truth about Jesus' birth.

If you have any questions, please connect with Woman at the Well Ministries through our website (watwm.org), email (info@watwm.org), or Facebook (www.facebook.com/watwm).

We wish you a Merry Christmas! As you study, enjoy the gift of Jesus' presence!
